TO HALT STRIKE OF OPERATORS

Board of Trade and Commercial Interests of Chicago Send Urgent Message.

Say that Tie-Up of Telegraph Steps Being Taken to Keep Lines Would Seriously Injure Business.

tial to The Evening World.) CHICAGO, June 15 .- President Raosewelt was this afternoon asked to intervene in the threatened telegraphers'

n Chicago would be called out Monday called a hurried meeting to take action contemporaneously with a similar Representatives of all of the big Board

Industrial firms.

This message, signed by President Sager and Secretary Stone, was forwarded to President mosseveit:

The Board of Trade and Commercial interests of Chicago respectively request the President of the United States to take such action as in his judgment may seem advisable to avert the Impending disastrous interference with legitimate business by reason of the threatened tesegraphers strike. In the judgment of the Chicago Board of Trade it would exitall widespread injury to the commercial interests of the country.

TELEGRAPHERS OF CONGRESS. \$2,000,000.

According to statements of their leader the telegraphers will not strike next week or for some time. Immediate ac-

both the Western Unten the next Congress, and it is expected the engineers' committee solves the that the Government will take over the affairs of both companies.

That such a step is radical in the extreme is fully realized by the leaders of the operators, but the pulse of the "brass-pounders" the country over has been sounded thoroughly, and they are unanimously in favor of the unprece-

Plan Long Considered.

According to the leaders of the day such action has been under long Eight Assistants Advanced to Rendt, as and careful consideration. Part of the facts and figures bearing on the meth-ods pursued by the two big wire monopolies which will leave that budy operators in their demands and will call for immediate Governmental conpresent day commerce.
